These terms govern the sale by M2 Global Technology, Ltd. or its general partner M2 Global, Inc. ("M2 Global") to M2 Global's customer ("Customer").

1. **ACCEPTANCE**

M2 Global's quotation shall not constitute an offer. It is intended as a price quotation and a notice to Customer of M2 Global's Terms and Conditions of sale. Customer's order, oral or written, regardless of any contrary wording, shall constitute an offer to purchase only on the Terms and Conditions stated on the face hereof and as set forth below. All Customer's Terms and Conditions in addition to or in conflict with those contained herein are hereby rejected and shall be void.

**CUSTOMER'S OBJECTIONS, IF ANY, TO M2 Global's TERMS AND

2. **ORDERS.**

Orders shall be initiated by Buyer issuing a Purchase Order or otherwise placing an order by electronic means acceptable to Seller. Orders shall identify the Products, unit quantities, part numbers, descriptions, applicable prices and requested delivery dates. All orders are subject to acceptance by Seller. No orders may be cancelled or rescheduled without Seller's consent, which consent may be given by Seller in its sole discretion. Seller reserves the right to allocate sales of Products among its customers in its sole discretion. Notwithstanding any provision of these Terms and Conditions to the contrary, all orders for Products (except those Products specifically identified by M2 Global as Standard Products on the M2 Global Sales Order Acknowledgement) are for Products that are special, custom, value added, or otherwise produced specially for the Customer, including Products to be assembled in kit form, work-in-process on hand and on order. Because of the special nature of these ordered Products they will be considered by both parties to be "NCNR" or "**Non-Cancelable and Non-Returnable**" unless specifically otherwise agreed to, in writing, by M2 Global.

3. PRICES.

Prices shall be as specified by Seller and shall be applicable for the period specified in Seller's quote. If no period is specified, prices shall be applicable for thirty (30) days. Notwithstanding the foregoing, prices shall be subject to increase in the event of an increase in Seller's costs or other circumstances beyond Seller's reasonable control. Prices are exclusive of taxes, impositions and other charges, including: sales, use, excise, value added and similar taxes or charges imposed by any government authority, international shipping charges, forwarding agent's and broker's fees, consular fees, document fees and import duties. If Seller shall be liable for or shall pay any of the foregoing, same shall be paid by Buyer to Seller in addition to the price of the Products.

4. TERMS OF PAYMENT.

Payment shall be net thirty (30) days from date of invoice or as otherwise specified by Seller. All prices and payments are in U.S. dollars. Buyer agrees to pay the entire net amount of each invoice from Seller pursuant to the terms of each such invoice without offset or deduction. Orders are subject to credit approval by Seller, which may in its sole discretion at any time change the terms of Buyer's credit, require payment in cash, bank wire transfer or by official bank check and/or require payment of any or all amounts due or to become due for Buyer's order before shipment of any or all of the Products. If Seller believes in good faith that Buyer's ability to make payments may be impaired or if Buyer shall fail to pay any invoice when due, Seller may suspend delivery of any order or any remaining balance thereof until such payment is made or cancel any order or any remaining balance thereof, and Buyer shall remain liable to pay for any Products already shipped and all Products ordered by Buyer, and furthermore Seller may require new payment terms including prepayment of remaining orders or letters of credit from a bank acceptable to Seller. Buyer agrees to submit such financial information from time to time as may be reasonably requested by Seller for the establishment and/or continuation of credit terms. Checks are accepted subject to collection and the date of collection shall be deemed the date of payment. Any check received from Buyer may be applied by Seller against any obligation owing from Buyer to Seller, regardless of any statement appearing on or referring to such check, without discharging Buyer's liability for any additional amounts owing from Buyer to Seller, and the acceptance by Seller of such check shall not constitute a waiver of Seller's right to pursue the collection of any remaining balance. Buyer shall pay interest on any invoice not paid when due from the due date to the date of payment at the rate of one and one-half (1-1/2%) percent per month or such lower rate as may be the maximum allowable by law. If Buyer fails to make payment when due, Seller may pursue any legal or equitable remedies, in which event Seller shall be entitled to reimbursement for costs of collection and reasonable attorneys fees.

5. DELIVERY AND TITLE.

All shipments by Seller are F.O.B. point of origin and all transportation charges shall be paid by Buyer in addition to the price of the Products. Subject to Seller's right of stoppage in transit, delivery of the Products to the carrier shall constitute delivery to Buyer and title and risk of loss shall thereupon pass to Buyer. Selection of the carrier and delivery route shall be made by Seller unless specified by Buyer. Seller shall use reasonable efforts to initiate shipment and schedule delivery as close as possible to Buyer's requested delivery dates. Buyer acknowledges that delivery dates provided by Seller are estimates only and that Seller is not liable for failure to deliver on such dates. Seller reserves the right to make deliveries in installments. Delivery of a quantity which varies from the quantity specified shall not relieve Buyer of the obligation to accept delivery and pay for the Products delivered. Delay in delivery of one installment shall not entitle Buyer to cancel other installments.

6. ACCEPTANCE OF PRODUCTS AND PRODUCT RETURNS.

Inspection and acceptance of the Products shall be Buyer's responsibility. Buyer is deemed to have accepted the Products unless written notice of rejection is received by Seller within ten (10) days after delivery of the Products. Buyer waives any right to revoke acceptance thereafter. Buyer shall report any discrepancy in shipment quantity or damage within ten (10) days after delivery. No return of Products shall be accepted by Seller without a Return Material Authorization ("RMA") Number, which may be issued by Seller in its sole discretion. Returned Products must be in original manufacturer's shipping cartons complete with all packing materials. All Products for return shall be returned freight prepaid in the manner specified in the RMA.
